

# The #bliss in Business Retreat

Your future is created by

what you do today.

# Introduction

*How does this all work anyway?*

The #bliss in business retreat is a mini-mindset course designed to help doulas and birth workers find bliss in their business.

Our goal over the next two weeks is to tap into our intuition and realize we have what it takes to create a business and life beyond our wildest dreams.

We recognize that sounds like a big statement, but we also know it to be true. During this retreat you will start taking the steps needed to get you closer to what you want, all it takes is a little vision and a lot of consistency!

Step 1: Download your **#bliss contract**

Step 2: Join the **Facebook Group**

Step 3: Mark 1:00PM EST on October 15, 17, 22 & 24 in your calendar for the live class.

Step 4: Visit **your private website** to watch the class recordings.

See you soon,
